Below is the link to the Family Engagement Survey. Please take a few minutes to share your feedback with us and help shape our goals/action plan for next year. All responses are anonymous and very much appreciated!

Public Act 16-189 "We believe that it is vital for all students in West Hartford Public Schools to be able to efficiently and effectively use digital tools that empower them in all phases of the learning process, including research, problem solving, content creation, communication, and collaboration. We also believe that we must be committed at all times to protecting students' privacy and providing them with a powerful and safe educational experience. To that end, the West Hartford Public Schools follow the legal requirements of Public Act 16-189 to promote the safety and security of all students and staff. In compliance with Connecticut State Law, we update online programs used within the district that house student data. The programs may be used district-wide, in a very small number of classrooms, or with individual students. The list will be updated each time the district enters into a new contract where student data is housed. For more information on the specifics of Public Act 16 -189 and updates of vendor agreements, visit www.whps.org/pa189."

Friday APRIL 5 to Friday APRIL 12

Celebrate our amazing readers at Smith STEM!

Every age and grade level can participate in the Read-a-thon. Minutes can be tracked for independent reading, as well as for reading with a parent or adult for our younger students! Start tracking your minutes on Friday, April 5 and finish on Friday, April 12.

Use the attached form to track the minutes you read each day for one week, and use the attached sponsorship form to ask your family, friends and neighbors to sponsor your reading.

The classroom with the highest total number of minutes will win a Pizza Party!

This year we will be adding up the total minutes read by each classroom – so there won't be any individual winners. We hope this will encourage everyone to participate so each classroom has a chance to win!

Both forms are due back to school by WEDNESDAY, APRIL 17! This gives you time to collect your sponsorships after you finish reading. The winning classroom will be announced at the April Principal's Pride Assembly.

The money raised will be used to purchase some great items for the Library!

****Any questions please contact Tanja Low at tanjalow@gmail.com or 617-417-6830****
