

## Writing Rubric: ASK

### Content=40

1. Did you answer the question thoroughly?
2. Did you demonstrate understanding of the topic?
3. Did your essay include solid, specific examples as evidence/support?
4. Did you refer to the "text?"
5. Is your essay thoughtful, insightful, meaningful and authentic?
6. Did you write what you know and from your heart?

### Writing=40

1. Is your essay written in proper essay form with separate introduction, body and conclusion?
2. Does your essay flow smoothly from paragraph to paragraph with proper transitions?
3. Is your essay organized appropriately for the topic? Can your reader easily follow your ideas?
4. Have you used correct spelling, punctuation and capitalization?
5. Is your word choice, vocabulary and sentence structure appropriate, correct and effective?
6. Did you "show" your topic rather than "tell" about it?

### Publication=20

1. Did you submit your assignment on time when it is due?
2. Did you use a word processor (Word or Google Doc) or, with approval, write neatly?
3. Did you proofread your assignment before submitting it?
4. Does the final product represent your best effort and thought?
